6. The following property shall be deemed to be part of the estate, and shall be included in the affidavit accompanying the application for probate or letters of administration in respect of the estate of every person dying after the commencement of this Order:—

- (a) Any property taken as a *donatio mortis causa* made by the deceased person, or taken under a disposition, made by such deceased person purporting to operate as an immediate gift *inter vivos* whether by way of transfer delivery declaration of trust or otherwise, which shall not have been *bona fide* made twelve months before the death of the deceased person, or taken under any gift, whenever made, of which property *bona fide* possession and enjoyment shall not have been assumed by the donee immediately upon the gift and thenceforward retained to the entire exclusion of the donor, or of any benefit to him by contract or otherwise.
- (b) Any property which the deceased person having been absolutely entitled thereto has caused to be transferred to or vested in himself and any other person or persons jointly, including therein any purchase or investment effected by such deceased person either by himself alone or in concert or by arrangement with any other person so that the beneficial interest therein or in some part thereof passes or accrues by survivorship on his death to such other person.

- (d) Money received under a policy of assurance effected by the deceased person on his life, where the policy was wholly kept up by him for the benefit of a donee, whether nominee or assignee, or a part of such money in proportion to the premiums paid by him, where the policy was partially kept up by him for such benefit.

8. In arriving at the value of the estate, an allowance shall be made for debts and incumbrances due to persons resident within the limits of the principal Order and for reasonable funeral expenses, but an allowance shall not be made:—

- (a) For debts incurred by the deceased or incumbrances created by a disposition made by the deceased, unless such debts or incumbrances were incurred or created *bona fide* for full consideration in money or money's worth wholly for the deceased's own use and benefit and take effect out of his interest; nor
- (b) For any debt in respect whereof there is a right to reimbursement from any other estate or person unless such reimbursement cannot be obtained; nor
- (c) More than once for the same debt or incumbrance charged upon different portions of the estate.

of the above-named **BRODIE AUGUSTUS CLARKE** deceased, that
the foregoing particulars are a true account of the particulars and value, as at the date of the
deceased's death, of all the property of the deceased in China, and I make this affidavit having

1908, which are printed below.

Sworn At Shanghai, the

13th

day of

19 31

Before me,

THE FOREIGN JURISDICTION (PROBATES) ORDER IN COUNCIL, 1908.

6. The following property shall be deemed to be part of the estate, and shall be included in the affidavit accompanying the application for probate or letters of administration in respect of the estate of every person dying after the commencement of this Order:—

- (a) Any property taken as a *donatio mortis causa* made by the deceased person, or taken under a disposition, made by such deceased person purporting to operate as an immediate gift *inter vivos* whether by way of transfer delivery declaration of trust or otherwise, which shall not have been *bona fide* made twelve months before the death of the deceased person, or taken under any gift, whenever made, of which property *bona fide* possession and enjoyment shall not have been assumed by the donee immediately upon the gift and thenceforward retained to the entire exclusion of the donor, or of any benefit to him by contract or otherwise.
- (b) Any property which the deceased person having been absolutely entitled thereto has caused to be transferred to or vested in himself and any other person or persons jointly, including therein any purchase or investment effected by such deceased person either by himself alone or in concert or by arrangement with any other person so that the beneficial interest therein or in some part thereof passes or accrues by survivorship on his death to such other person.
- (c) Any property passing under any past or future settlement made by the deceased person by deed or any other instrument not taking effect as a will, whereby an interest in such property or the proceeds of sale thereof for life or any other period determinable by reference to death is reserved either expressly or by implication to the settlor, or whereby the settlor may have reserved to himself the right by the exercise of any power to restore to himself, or to reclaim the absolute interest in such property, or the proceeds of sale thereof, and the term; "settlement" in this paragraph shall include any trust, whether expressed in writing or otherwise, and if contained in a deed or other instrument effecting the settlement, whether such deed or other instrument was made for valuable consideration or not as between the settlor and any other person.
- (d) Money received under a policy of assurance effected by the deceased person on his life, where the policy was wholly kept up by him for the benefit of a donee, whether nominee or assignee, or a part of such money in proportion to the premiums paid by him, where the policy was partially kept up by him for such benefit.

8. In arriving at the value of the estate, an allowance shall be made for debts and incumbrances due to persons resident within the limits of the principal Order and for reasonable funeral expenses, but an allowance shall not be made:—

- (a) For debts incurred by the deceased or incumbrances created by a disposition made by the deceased, unless such debts or incumbrances were incurred or created *bona fide* for full consideration in money or money's worth wholly for the deceased's own use and benefit and take effect out of his interest; nor
- (b) For any debt in respect whereof there is a right to reimbursement from any other estate or person unless such reimbursement cannot be obtained; nor
- (c) More than once for the same debt or incumbrance charged upon different portions of the estate.

x We, PATRICK CHARLES INGLIS and KENNETH EDWARD NEWMAN
of Shanghai China make oath and say that we are persons
applying to this Court for Probate of the Will

of the above-named **PRODIE AUGUSTUS CLARKE** deceased, that
the foregoing particulars are a true account of the particulars and value, as at the date of the
deceased's death, of all the property of the deceased in China, and I make this affidavit having
regard to the provisions of Articles 6 and 8 of the Foreign Jurisdiction (Probates) Order in Council,
1908, which are printed below.

Sworn at Shanghai, the
day of
19 **32**, Before me,

THE FOREIGN JURISDICTION (PROBATES) ORDER IN COUNCIL, 1908.

6. The following property shall be deemed to be part of the estate, and shall be included in the
affidavit accompanying the application for probate or letters of administration in respect of the estate of
every person dying after the commencement of this Order:—

- (a) Any property taken as a *donatio mortis causa* made by the deceased person, or taken under a
disposition, made by such deceased person purporting to operate as an immediate gift *inter vivos*
whether by way of transfer delivery declaration of trust or otherwise, which shall not have been
bona fide made twelve months before the death of the deceased person, or taken under any gift,
whenever made, of which property *bona fide* possession and enjoyment shall not have been
assumed by the donee immediately upon the gift and thenceforward retained to the entire
exclusion of the donor, or of any benefit to him by contract or otherwise.
- (b) Any property which the deceased person having been absolutely entitled thereto has caused to be
transferred to or vested in himself and any other person or persons jointly, including therein
any purchase or investment effected by such deceased person either by himself alone or in
concert or by arrangement with any other person so that the beneficial interest therein or in
some part thereof passes or accrues by survivorship on his death to such other person.
- (c) Any property passing under any past or future settlement made by the deceased person by deed
or any other instrument not taking effect as a will, whereby an interest in such property or
the proceeds of sale thereof for life or any other period determinable by reference to death is
reserved either expressly or by implication to the settlor, or whereby the settlor may have reserved
to himself the right by the exercise of any power to restore to himself, or to reclaim the absolute
interest in such property, or the proceeds of sale thereof, and the term, "settlement" in this
paragraph shall include any trust, whether expressed in writing or otherwise, and if contained in
a deed or other instrument effecting the settlement, whether such deed or other instrument was
made for valuable consideration or not as between the settlor and any other person.
- (d) Money received under a policy of assurance effected by the deceased person on his life, where the
policy was wholly kept up by him for the benefit of a donee, whether nominee or assignee, or a
part of such money in proportion to the premiums paid by him, where the policy was partially
kept up by him for such benefit.

8. In arriving at the value of the estate, an allowance shall be made for debts and incumbrances
due to persons resident within the limits of the principal Order and for reasonable funeral expenses, but an
allowance shall not be made:—

- (a) For debts incurred by the deceased or incumbrances created by a disposition made by the
deceased, unless such debts or incumbrances were incurred or created *bona fide* for full consideration
in money or money's worth wholly for the deceased's own use and benefit and take effect out of
his interest; nor
- (b) For any debt in respect whereof there is a right to reimbursement from any other estate or
person unless such reimbursement cannot be obtained; nor
- (c) More than once for the same debt or incumbrance charged upon different portions of the estate.
